Student Life

100 Years Strong

Happy Birthday Brecksville Senior High!

The Brecksville Senior High celebrated its 100th birthday this year and is still going strong. Once located across from Brecksville Square, the senior high has since relocated and expanded to meet the needs of the students and faculty. The old senior high has become the junior high and has had much restoration over the years to preserve the historical landmark.

Go Out And Celebrate!

Orange Julius.

With the clever idea of a carousel, the class of 84' took away first place on their float at the fall Homecoming parade. They definitely showed the spirit as the Bees rode on to victory atop the Strongsville Mustangs.

Brecksville Has The Look

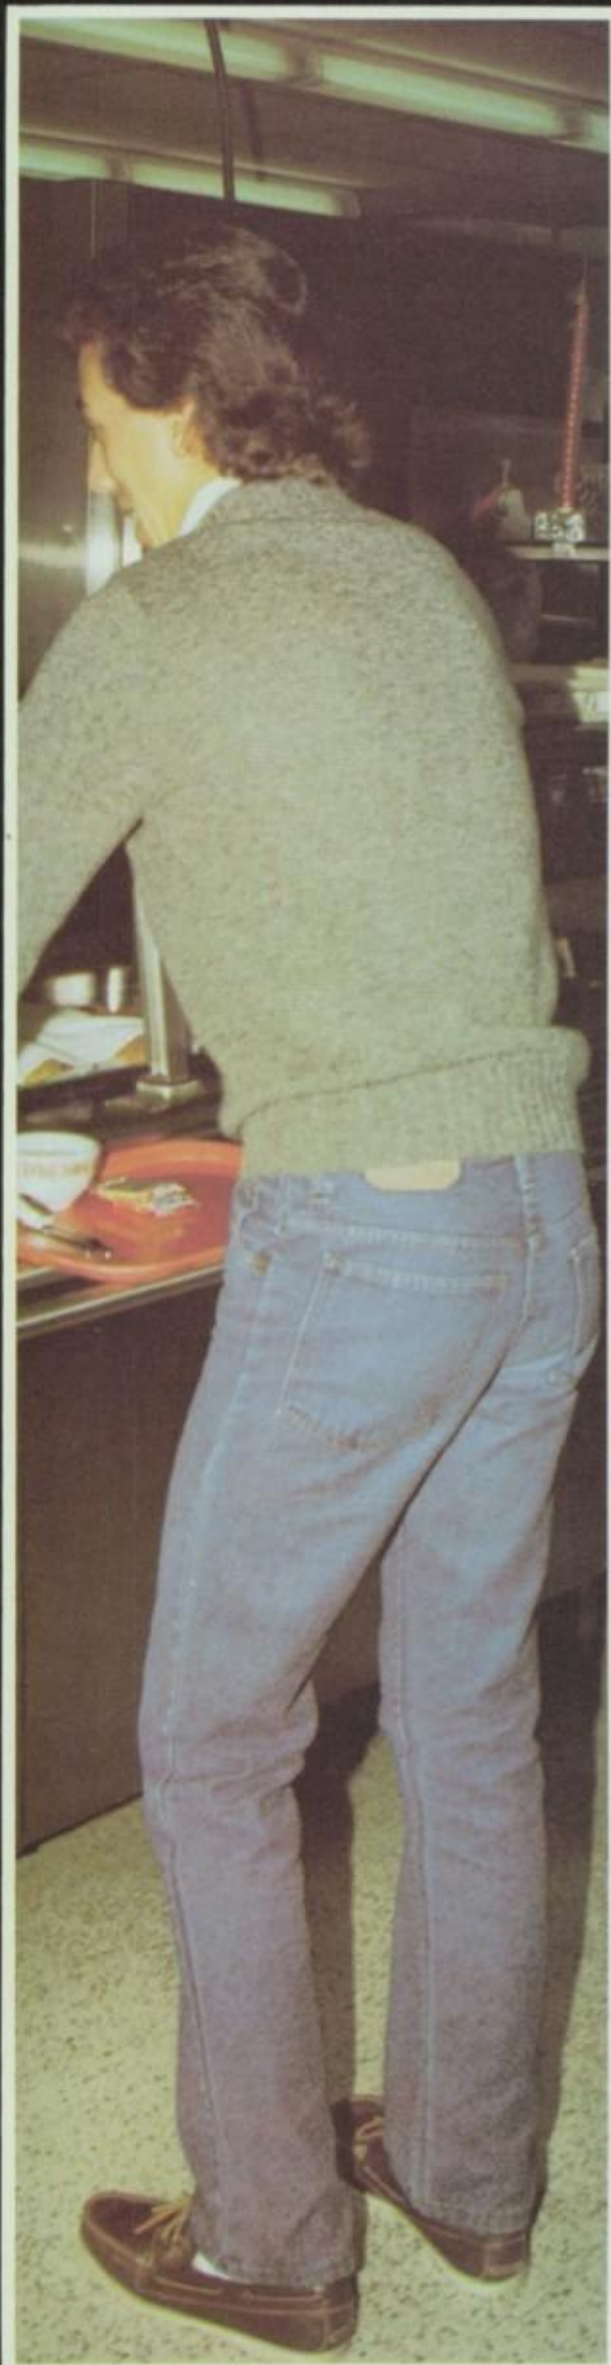

The fashion of Brecksville High lends way to many different styles that roam around school. Besides the classic prep, punk, and casual, annual Bees and elves

invade the school usually around spirit week and Christmas. Senior girls spread cheer and fun while in turn have a good time doing it.

Seniors Last Day

Fall Homecoming

The Fall Homecoming of 1982 began with the high level of energy generated during spirit week. Each class successively dressed up in their red and gold during the first four days of the week, beginning with the freshmen and ending with the seniors. On the fifth day of the week it was red and gold day for the entire school. The school day ended with an exhilarating pep rally only to be topped by a victorious football game in the evening.

Halloween

Halloween is a time to be crazy! BHS students make the day very unusual by spending the day in costumes ranging from typical to bizarre. This year we saw dragons, McDonald's characters, and even a token "Tylenol" bottle symbolizing a drug scare of all times in the U.S.

Most importantly, Halloween adds character to Brecksville High, and never lets students forget the excitement and spirit that's present!

The Winter Homecoming is the only dance that has underclassmen as part of the court. This year's court consisted of freshmen, Darlene Jones and Steve Bonamer; sophomores, Lisa Barich and Matt Mowchan; juniors, Monica Gornick and Pat Renz; and seniors, (king and queen—Sharon Galik and Al Kennedy).

Junior-Senior Prom

Yea! It's finally over!! On June 7, 1983, the 100th graduating class of Brecksville Senior High School received their diplomas. After 13 years of kindergarten, elementary, junior high, and senior high school, one era of their life was over and another was about to begin. Some will go on to college, some will go on to the job market directly, some will get married, while others will go into a period of relaxation. However, they will all be through with high school.

On January of this month, Karine Biefeld returned from Panama. She left for Panama last February with hardly any knowledge of the spanish language and returned to be a fairly fluent speaker. She also gained a cultural experience that she will never forget. Although there were some bad experiences, the good experiences rode over the bad ones. Karine feels that she had become more mature.

This year Heidi Schmoll and Diane Harbath became finalists for AFS and will be traveling to different parts of the world. Heidi will be going to Japan for the summer of 1983 and Dianne will probably be going to either Europe or Scandinavia. Diane will be going to her destination for a full year. Both students had to go through numerous interviews and write many essays before being selected finalists. They are both looking forward to their trips.

Bowling Club

BHS's best kept secret could well be the Bowling Club. This year is only the third year this club has existed at BHS, and they won the handicap league championship. Two years ago they won the handicap for their division.

The group is only a club, not a team, because bowling is not a recognized sport by the Ohio High School Athletic Association. However, they may do fund raising activities like any other club at school. Their "Coach" is Tom Piascik.

The club competes every Saturday at Cloverleaf lanes against clubs from other schools in the Cleveland area. None of their competition is from other Pioneer Conference schools, however.

HONEY BEES

This year's line of dancers proved to be the best yet with captain Lisa Jacobs and co-captain Debbie Kucharski.

GUIDANCE

Bill Hoffman, Counselor
14 years at BHS

Virginia Little, Counselor
11 years at BHS

If every day you take some time
to lend a helping hand,
To share a little fun,
to show someone you understand,
And yet still save some time for you
and all that you hold dear-
Then each new day can be
the very best day of the year.
If you always have a special dream
to follow day by day
That keeps you reaching upward
as you journey on life's way,
And always find in all you have
a deep and true content-
Then each new year can be
the very best you've ever spent.
